The KneoWorld team is driven to help educators achieve educational equity to close the achievement gap for all students.

Our platform supports existing curriculum and offers teachers easy on-boarding to a blended learning model.

The lesson plans are designed to provide educators with engaging activities and tasks that connect KneoWorld and current curriculum. KneoWorld can be used in whole group, small group, pairs and individual practice during and out of school.

Please take a look at this video which will give you a taste of what we have to offer.

Our team is always ready to help your school access the benefits that technology offers. Please call us at +1 800 213 7456 or email us at info@kneoworld.com with any questions. You can also find the video here: KneoWorld.com/video.html
